EDUCATION

2017 - 2022

SMJK JIT SIN

- SPM: 10 As

2022 - 2023

HERIOT-WATT UNIVERSITY

- Foundation in Business
- GPA: 4.0 / 4.0

2023 - Present

HERIOT-WATT UNIVERSITY

- BSc of Statistical Data Science

SKILLS

- Python
- Statistics & Machine Learning
- SQL
- R Programming
- Java Programming
- JavaScript
- Web Development
- Web Scraping

LANGUAGES

- English
- Mandarin
- Malay

WORK EXPERIENCE

FWD Takaful

JUNE 2024 - AUGUST 2024

Data Governance Intern

- Filter and extract client's data from the database using Microsoft SQL.
- Examine the data collected in the database is following the correct format and rules.
- Assisted IT department to present the implementation of AI tools in daily operations.
- Creating dashboard in ServiceNow platform to keep track of tasks progression.

Experian GDC Malaysia

JUNE 2025 - SEP 2025

Data Analyst Intern

- Analysing the credit rating data to improve the accuracy of the credit scoring model.
- Responsible in generating variable and data validation for building the credit scoring model.

PROJECT EXPERIENCE

Tumpang Delivery: Price Prediction Model

- Collaborated with Tumpang, to assist them in building a delivery fee prediction model.
- Utilize web scraping to collect the dataset from the Internet
- Apply machine learning technique to build a multi regression model, which can predict the price based on the delivery distance, item size, order time, location and vehicle type.

Zero Waste Malaysia: Survey Analysis

- A collaboration with Zero Waste Malaysia (ZWM), an NGO that focuses on educating sustainable environmental practices in Malaysia.
- Led the project team to analyse the survey results collected by ZWM through various perspective, including the age, gender, occupation and demographic of the respondents.
- Performed data visualization and presented our analysis insights to the team of ZWM.

EXTRACURRICULARS

VICE PRESIDENT/SECRETARY

2023-2024

Computing and Programming Unplugged Society (CPU)

STUDENT DATA CONSULTANT

2023-2024

Society of Logical Interpretation of Data (SOLID)

PRESIDENT

2024-2025

Society of Logical Interpretation of Data (SOLID)

PROJECT DIRECTOR

2025-Present

Society of Logical Interpretation of Data (SOLID)

HONORS & REWARDS

- Leaders with Impact Scholarship
- Experian Book Prize
- Deputy Principal Award
- HWUMSAS Case Competition Champion
- 2nd runner-up in Experian GenAI 2.0 Hackathon
- 2nd runner-up in Top Coder 2025 University Level
